

Mayor Michael S. Hess

October 1, 2009

Dear Borough Resident.

I am asking you for your help and support in the upcoming general election on November 3, 2009. As your mayor, I would like to continue to provide our families with a **safe** and **fiscally responsible** environment in Brookhaven. As a 30 year resident with family roots in the community, I feel I have made an investment that I would like to see grow over the next four years. I have always believed that our residents are our greatest resource and with your help, that growth can flourish in the coming years.

In order for me to accomplish these goals, I need the help and support of our Democratic Team. They are: *Council President John J. Wilwert Jr., Councilwoman Donna M. Erickson, Councilmen Michael A. Ruggieri, Harry Seth* and our *Tax Collector James H. Smith Jr.* Our Team is **dedicated, dependable and honest.**

We are dedicated individuals serving our community and we're asking for **your support and your vote!** You have our solemn commitment to keep Brookhaven a clean, safe, family-friendly place to live and offer municipal services in a fiscally responsible way. Help us make a difference for the future in Brookhaven by casting your vote for us on November 3rd.!

Sincerely,

Michael S. Hess, Mayor
